Angela congratulated the winners and also thanked SOA members Charlie Arp, George Bain, Janet Carleton, and Laurie Gemmill for helping judge the entries.

6. **New Business**

- **Awards Committee:** Chair, Vic Fleischer announced that there were two Merit Awards this year—for the Margaret Clark Morgan Foundation and for the EAD Task Force.

Since 2003, The Margaret Clark Morgan Foundation (MCMF) has contributed $2.5 million to support the Archives of the History of American Psychology (AHAP) at the University of Akron. The Foundation has provided stipends for the Archives to hire graduate students to arrange, describe and make accessible
unprocessed manuscript collections involving the history of mental health research and practice. The Foundation also provided the Archives with funding for a web developer to maintain and update databases and the Archives website. To date, fourteen AHAP collections totaling 226 linear feet have been organized, cataloged and cross-referenced in a database making the AHAP one of the leading resources for psychological testing material in the country. In May 2006, MCMF provided the Archives with a leadership gift to complete the design development study of the future home of the AHAP. In June 2007, the Foundation further signaled its commitment by establishing the Endowed Directorship for the AHAP with a $2.1 million gift, the largest gift ever given to the AHAP.

The EAD Task Force, composed of nine professionals from Ohio institutions and OhioLINK, collaborated to develop a viable and effective tool that greatly simplifies preparation of EAD documents across a multi-institutional environment. Over the past three years, the Task Force created a specification template, monitored enhancement requests, customized a software tool kit, and provided training workshops for archivists, librarians, students, and other professionals all across the state of Ohio. All current and past members of the Task Force are being recognized for their contributions to our profession. The EAD Task Force consists of:

Janet Carleton, Ohio University  
David Gaj, Kent State University  
Cara Gilgenbach (Chair), Kent State University  
Beth Kattelman, Ohio State University  
Amy McCrory, Ohio State University  
Rhonda Rhinehart, University of Akron  
Meg Spernoga, OhioLINK  
Toni Vanden Boos, Wright State University  
Sheila Yeh, OhioLINK

Following the Merit Award presentations, Vic then presented awards for their service to outgoing Council members Ron Davidson and Katy Klettlinger (who was not present), and to outgoing President, Angela O’Neal.

**Proposed Amendment to the Constitution and Bylaws:** Secretary, Gillian Hill, introduced the proposed amendment to the Constitution and Bylaws, which had been approved by Council. She read the amendment, inserted as a second paragraph to Item 10 of the Constitution and Bylaws, under Officers and Government, which states:

*Motions to be introduced by a member of the society at the annual meeting must be presented to the Chair in writing prior to discussion, and preferably should be presented to Council in writing prior to the date of the annual meeting, if possible.*
After some discussion, the proposed amendment to the constitution and bylaws was approved by a majority of the full membership in attendance.

- **Strategic Plan:** Angela explained the work of Council on drawing up a strategic plan for the Society. At the April 2008 Annual Meeting, Council had held a SWOT analysis (strengths, weaknesses, opportunities and threats) and 35 members of the Society had attended. Council had then held further meetings in August and October of 2008 to draft the plan. A paper explaining the background to the strategic plan, containing the Society’s mission, vision, core values and goals had been included with the conference packet. Angela read out the goals. She said that she would like to get feedback from members and the work would then be turned over to the new Council to work on and to put the plan in place. There followed some discussion on the plan, particularly on Goal 1—Strengthen the organization to ensure a sound financial and governing foundation, Objective A—Increase funding base for SOA and improve its financial administration, Task i, Invest a portion of existing funds to create a quasi endowment. Angela asked that any comments and information on this section, or any other part of the plan, be sent to her. Ron suggested that people could also post comments and questions to the list serve.

- **Partnership with OHS—Proposed Pilot Project:** Angela introduced the partnership plan that had been presented to SOA Council by the Ohio Historical Society. For an annual fee (currently proposed as $250.00) and any actual out of pocket expenses, OHS would take over some of the purely routine administrative work of Council to enable Council to concentrate on the goals of the Society. Council had been considering a one year pilot program at the end of which both SOA and OHS could evaluate the partnership. Jody Blankenship, from the Outreach and Field Services Department of OHS, explained the work that OHS would do for SOA in more detail. He explained that they already do something similar for other organizations, such as OAHSM, and that it worked well. Considerable discussion followed. Several members believed that some of the details of the plan might actually violate SOA’s constitution. It was thought that a lawyer’s opinion might be required. Another concern was that SOA might come to be seen as a division of OHS and would lose its independent status. As there were so many unresolved issues, no vote was taken on the partnership. Gillian Hill made a motion that the partnership proposal be turned over to the new Council for further review and that an extra business meeting of the full membership be called for later in the year at which a fully fleshed out proposal could be brought before the entire membership. The motion was seconded and carried.

- **Scholarship Winners:** Angela introduced and congratulated the winners of the student stipend scholarships for 2009 – Sasha Westgate of Kent State University and Jeremy Feador of Wright State University.
• **Election Results:** Nominating Committee Chair, Jane Wildermuth, announced the results of the election, which she said had been very close:

President: Judy Cobb  
Vice-President: Louise Jones  
Secretary: Gillian Hill  
Council Members: Christine Engels and Beth Kattelman

The winners were congratulated and all who had volunteered to serve were thanked for their participation.

• **Silent Auction:** Angela announced the winners of the Silent Auction donations, which resulted in the sum of $370.00 for the scholarship fund.

The business meeting was adjourned at 1:35 P.M.

Respectfully submitted,

Gillian Hill, Secretary
