Old Business - Constitution and Bylaws

Constitution - Officers and Government - Article 7

The government of the Society, the management of its affairs, and the regulation of its procedures, except as otherwise provided in this constitution, shall be vested in a council composed of the four officers and four members elected by the Society, and by the managing editor of the Ohio Archivist, who shall serve as an ex-officio (non-voting) member of the council.

Bylaws - Committees - Article 6

Standing committees shall be created as required by vote of the council. The president shall appoint the chair of each standing committee, the appointments to be confirmed by a majority of the council, for a renewable two-year term.

Old Business - NCH Membership

- The National Coalition for History (NCH) is a consortium of over 50 organizations that advocates on federal, state and local legislative and regulatory issues. The coalition is made up of a diverse number of groups representing historians, archivists, researchers, teachers, students, documentary editors, preservationists, political scientists, museum professionals and other stakeholders.
- In 2013 SOA voted to renew its independent membership with NCH through 2016.
- SOA’s annual fee is $500.00 for a “Basic Membership.”
Old Business - NCH Membership

Council Recommendations

- Due to financial concerns, SOA Council recommends discontinuing SOA’s organizational membership with the National Coalition for History (NCH) beginning in 2017.
- If membership supports continued financial contributions to NCH, SOA Council recommends supporting the Regional Archival Associations Consortium (RAAC) efforts to join the National Coalition for History (NCH) as an organizational member by providing RAAC with an annual contribution of up to $100.00 to be applied to the NCH membership fee beginning in 2017.

Old Business - NCH Membership

Pros of independent membership

- Receive advocacy action alerts
- May place issues on the Policy Board’s agenda for its quarterly meetings.

Cons of independent membership

- Cost of membership
  - SOA’s only income is about $2,000/year from membership dues. NCH membership accounts for ¼ of our yearly income.
  - Continuing to sustain our own membership would not allow SOA to have the funds to join NCH at a sustaining membership level through a larger consortium (RAAC).
- Communication
Old Business - NCH Membership

Regional Archival Associations Consortium (RAAC)

- Asked its representatives, which includes SOA, to consider supporting a sustaining membership for the RAAC constituents.
- This is a higher level of membership than the level the SOA currently supports and provides us with more benefits through the RAAC.
- If all representatives participated, we would be asked to support NCH though a gift of $100 annually.

Refer to handout on table for further details.

New Business - SOA 50th Anniversary

Volunteers needed to serve on a temporary committee that will plan the 50th anniversary commemoration.

Mission/Summary:
The Society of Ohio Archivists Awards Committee is responsible for publicizing the availability and the standards of the SOA Merit Awards, SOA New Professional Scholarship Awards, and the SOA Student Scholarship Awards. Committee members solicit and review applications for these awards, then identify and select awardees according to the criteria set by the Society of Ohio Archivists. - Gather a team to judge nominees for the Special SOA History Day Awards at the annual State History Day Contest

Ongoing Issues and Challenges:
- In the past few years the Committee’s primary challenge has been to effectively publicize the awards in order to receive a greater number of applications. The Student Scholarship Awards to the SOA Annual Meeting had been the most challenging category in receiving multiple applications. This year we received eight student applications. We received one Merit Award application and one New Professional Scholarship application. In the future we need to increase the number of Merit Award and New Professional Scholarship applications, while continuing to keep our Student Scholarship Award application numbers at this year’s high level.

### Mission/Summary:

The Advocacy and Outreach Committee is comprised of two subcommittees: Advocacy and Outreach. The Advocacy subcommittee is responsible for promoting advocacy in response to legislative issues that may impact archives, diversity, and the role of archives and archivists within society. The Advocacy subcommittee will facilitate access to resources that will aid archivists in advocating for the profession and collections to administrators and institutional stakeholders. It also communicates news from the National Coalition for History. The Outreach subcommittee is responsible for advocating the importance of archives throughout the state of Ohio through programmatic planning such as Statehood Day, Archives Month, and the I Found it in the Archives contest.

### Goals for the Year:

- Set up table at Ohio Statehood Day and help promote CARMA’s proposed legislative changes;
- Actively recruit new members;
- Increase institutional participation in Archives Month activities;
- Increase awareness, to public and legislators, of Archives Month activities within the state;
- Increase institutional participation in the “I Found it in the Archives” contest.

### Ongoing Issues and Challenges:

- Recruiting active members;
- Increasing institutional participation in the “I Found It In the Archives” contest;
- Increasing institutional participation in Archives Month activities;
- Co-chair Jennie Thomas has had to step down from this position (but remains a member of the committee), so we are in the process of seeking a new co-chair.

### Accomplished Goals:

Since the beginning of the calendar year, members of the Committee:

- Assisted with promoting SOA at the Statehood Day event;
- Have set a theme for Archives Month—“As Ohio Goes So Goes the Nation: Presidential Campaigning in the Buckeye State”. The group working on this will report soon on the images selected for this year’s poster;
- Are working on plans for another year of the “I Found It in the Archives” contest;
- Are at work presently on recruiting a member of the Ohio delegation in Congress to join the Congressional History Caucus. We are in conversation with the OHC Local History Office to draw in Ohio Local History Alliance member groups to increase our effectiveness in this goal;
- Have formed a Google group to improve committee communication.

Proposed Changes to Constitution and Bylaws

May 20, 2016

In the spring of 2015, Council members Andrew Harris, Gillian Hill, and Nathan Tallman conducted a review of the SOA constitution and bylaws. We are proposing two minor changes to clarify the role of the managing editor of *The Ohio Archivist* and to specify a renewable term for committee chairs.

Below are the relevant sections from our constitution and bylaws, along with the new, proposed language in red. The full, current constitution and bylaws may be viewed online at [http://goo.gl/cveSud](http://goo.gl/cveSud).

Constitution, Article 7

7. The government of the Society, the management of its affairs, and the regulation of its procedures, except as otherwise provided in this constitution, shall be vested in a council composed of the four officers and four members elected by the Society, and by the managing editor of *The Ohio Archivist*, who shall serve as an ex-officio (non-voting) member of the council. The president shall vote in council only to break a tie. Two members of the council shall be elected at each annual business meeting for a term of two years. The four elected members of the council shall be ineligible for immediate re-election. The managing editor of The Ohio Archivist shall be appointed by the council.

Bylaws, Article 6

6. Standing committees shall be created as required by vote of the council. The president shall appoint the chair of each standing committee for a renewable two-year term, the appointments to be confirmed by a majority of the council.
