1. Welcome - President Amy Rohmiller called meeting to order at 1:01

2. Minutes - January 30, 2023
   a. Amy motions to approve January minutes, Melissa seconds, motion carries

3. Committee Reports
   a. Treasurer
   b. Membership and Awards - as of Feb 21st 116 memberships, most are individual. Increase from the last few years. Work to develop the membership hardship program continues. Applications are still being accepted for Merit award and student scholarships. Renewal letter for membership drive has been distributed. Janet will be team lead for History Day award.
   c. Marketing and Communication - 4 blog post announcements and listserv notices have gone out about the upcoming Annual Meeting. Adding a new committee member starting in May, Julia (Durant?) from Case Western. Will be looking for another co-chair as Janet rotates off of her leadership role soon.
   d. Nominating - no report (see New Business) - slate has been approved
   e. Newsletter - 5 new assistant editors! New areas to explore in future issues, a specialist in climate change and more.
   f. Educational Programming - plenary speaker confirmed, Rosemary Flynn from U of ND, submission reviews in process, some interest in sponsorships to follow up with
   g. Advocacy and Outreach - In addition to poster creation, we’d like to continue to do an unveiling event and some blog posts. Statehood Day is coming up this Thursday. We need to update our mission to align with our work. We need to find a co-chair. If you have folks in mind, please share. Open to ideas for outreach. Poster topic is Transportation!
   h. Strategic Planning - contracted with Jennifer Sauers-Chevreaux to finish the planning work, first meeting held 02/27. Developed timeline to complete plan and present to membership. Reviewing outcome statements and changing them to actionable statements.
   i. Justice, Equity, Diversity, Accessibility, and Inclusion (JEDAI) - no report

4. New Business
   a. Nominating Committee discussion - Bylaws definition of president at annual meeting appointing 2 members vs more general language of 2 additional members being appointed by Council
i. Amy - discrepancy between what bylaws say we need to do, what the committee statement says, and what we have been doing in practice. Which one of these do we want to continue doing moving forward?
   1. Bylaws say that Council shall appoint a nominating committee
   2. Mission says two additional SOA members will be appointed to the Committee by President
   3. In practice the past president has been going out to recruit and Council has been approving it
ii. Melissa - too much work for the Past President and the work is very important for SOA overall, we should follow the bylaws procedure
iii. Amy - agree with Melissa's point, this is too important to be left to one person. All of Council should be involved in putting together a slate
iv. Jen - what are the challenges or downsides to doing it by bylaws? Not in disagreement just in planning for those when they come up? How did we end up with this process?
   1. Melissa - Robin did this as well, and it’s been going on for awhile
   2. Janet - might have something to do with the language of process in Annual Meeting?
v. Amy - to me it reads like Council should be more involved in finding members than they have been
   1. Sasha - how do you imagine that looking?
   2. Amy - that’s what we need to talk about - right now we have a nominating committee of one and they will be terming off in May. We need a robust nominating committee to get us the best council we can have. IT’s not appropriate for Council to serve as nominating committee but needs to be more involved in finding members
   3. Sasha - makes sense, didn't realize the discrepancy. Did you mean things like generating names? Clear instructions and expectations will help us in this and the overall question of what Council members are responsible for during their terms.
   4. Amy - yes and making the ask where appropriate
   5. Sasha - what is the next step?
   6. Amy - I would ask that everyone come with a list of 2-3 names for the Nominating Committee to the March meeting, (and start thinking about A&O) to ask in April in order to Committee back on track by May meeting/election)
   7. Janet - this sounds great, I wonder how we can expand this for future Committee leader positions as well
   8. Amy - certainly nothing keeping us from expanding, Advocacy & Outreach, MCC and EPC will need at least one chair if not two.
      a. Adam - if Matt is running for VP can he be a co-chair?
      b. Amy - a highlight of more practices that are not in bylaws for us to realign. We also need to clarify the two terms as co-chair in writing.
      c. Janet - good practice that we should formally codify
      d. Melissa - committee says 2 years but doesn’t say they can’t renew

b. Statehood Day - planning update, who is going
i. Amy - Collette, do you have any info from Connie about the planning process for this year? We were not involved this year.
   1. Betsy - Todd Kleismet is now ED for Ohio 250, his replacement started Dec 5th. Stacia K and Steve George planned it this year - Stacia had to recreate the planning process. SOA was on the list, it’s probable that the wrong contacts were given.
   2. Amy - info for the future - it’s typically the SOA President and then A&O who are involved with Statehood Day. Is anyone else going aside from Betsy and Collette? A&O will have a handout, pencils, and Archives Month posters to share. Colette will take photos for a blog post and for SOA writ large to use.

c. Standing meeting time discussion
   i. Amy - we seem to be falling into the last Tuesday of the month, does anyone else have conflicts or ideas? Does 1pm work?
      1. Amy moves to schedule monthly leadership meetings on the last Tuesday of the month at 1pm ET. Melissa seconds, motion carries
      2. Betsy will set up a regular Zoom meeting

5. Old Business
6. Upcoming Meeting
